Great! Thank you for your email.

Captain Peters had originally suggested that this would be a good opportunity to brief the business and property owners about proper Holiday Season preparations for crime prevention. The BID has also agreed to hand distribute any flyers directed to parkers or customers in the area, or posters directed to businesses if we can get pdf or other suitable reproducible art work. Please let me know on this.

Recently the WTC BID area has been inundated with aggressive solicitors and "CD sales" scammers. A number of business and property owners and customers are upset about this, have requested additional enforcement, and are expected to be in attendance. So you will probably want to be knowledgeable about this situation and how we might best enforce it.

Thanks Alicia.
